Indicators

Strategies

1. Identify any barriers in implementing the plan (i.e. data collection, data tracking, funding, infrastructure, etc.)

No barriers identified

2. Identify any successes/how implementing this plan has worked to strengthen the council and county collaboration.

Successful collaboration with many council agencies and relationships beyond council.

Report on Indicator Data (Provide data for each outcome indicator listed on the Shared Plan. List only ONE outcome per page. This page can be duplicated as needed).

Shared Outcome: Children in the county will have access to needed therapies.

3. List the data source(s) for the indicator(s):

Children in the county with unmet therapy needs.

4. Identify any key findings (explanation of data findings; FCFC actions taken in response to key findings, etc.):

Collaboration between Ohio Department of Developmental Disabilities, Belmont County Board of Developmental Disabilities, Help Me Grow, and Wheeling Pediatrics has expanded beyond therapies to providing local assistance to families when autism is suspected.

Because of this partnership Belmont County Board of Developmental Disabilities allowed 2 HMG staff members to be trained in ADEP.
